Top-left monitor area showing a grid of video feeds. The top row includes a color calibration chart and a logo. The bottom row shows a dark scene with some lights and a timestamp.

Top-middle monitor area showing a blue-tinted video feed of an interior scene. Below the video, the text "EPS 2/5 out" is displayed.

Top-right monitor area showing a video feed of a white table in a room. Below the video, the text "SL1 PGM 200718" is displayed.

Bottom-left monitor area showing a yellow-tinted data display with various graphs and text. The text "EPS 1/5 out" is visible at the top of this section.

Bottom-middle monitor area showing a large, multi-colored data table with columns and rows of information.

Bottom-right monitor area showing a video feed of a living room interior. Below the video, the text "Br16 HD out" is displayed.

Right side of the control room showing additional monitors and control panels. One monitor displays a dark scene with a small orange object. The control panels feature numerous buttons and sliders.
